## Portable PA

### KOMPACT 10

#### Compact, portable and powerful PA system

Includes 2 x satellite speakers, active subwoofer, speaker stands and speaker cables

#### Satellite speakers

Two way passive speaker box

Power: 75w RMS / 150w peak

LF: 1 x 6.5 inch with 1.5 inch voice coil

HF: 1 x 1 inch voice silk cloth dome

Frequency response: 90Hz-20KHz

Crossover frequency: 3kHz, 12dB/octave

Sensitivity: 90dB 1W/1M / Impedance: 8Ω

Connection: 2 x speakeron

35mm pole mount

Dimensions (WxHxD): 225 x 346 x 215mm / Weight: 6.4Kgs

#### Active subwoofer speaker

Subwoofer amp: 1 x 250w RMS

Satellites amp: 2 x 75w RMS

Connection: XLR male & female / 1/4 inch jack

Input: Electronically balanced & floating

Sensitivity: 0dB/v

Subwoofer: 1 x 10 inch with 2 inch voice coil

Impedance: 4Ω

Frequency response: 45Hz-150Hz

Sensitivity: (1m/1w) 90dB / Max. SPL (1m): 123dB

Dimensions (WxHxD): 340 x 429 x 460mm / Net weight: 25.6Kgs

PRODUCT CODE: **4398-10**

System includes cables

Speaker covers also available

## Portable PA

### TRANSPORTER 300

**Compact, transportable and powerful PA system with built-in media player and DSP effects**

Includes 2 x satellite speakers, speaker stands, mixer, media player, microphone and speaker cables

5 channel mixer / Integral media player for SD and USB input

2 band EQ per channel plus level

Individual reverb/FX level per channel

Reverb / digital delay / DSP effects

Integral power supply

5 band equalizer with feedback monitor

Stereo (CD/ tape) input with level control

Combi XLR / jack input sockets

Power: 150W

Impedance: 4 Ohm

Frequency response: 60Hz-20KHz

Sensitivity: 94dB

Crossover frequency: 4KHz

Frequency response: 20Hz-20KHz  $\leq 1$ dB

THD: 20Hz-20KHz  $\leq 0.1\%$

Equivalent input noise level:  $\leq -114$ dB

Channel equalizer: alt:  $\pm 15$ dB

Bass:  $\pm 15$ dB

Power supply: 230V AC / 50Hz

Dual speaker mount to include 35mm speaker stands

PRODUCT CODE: **4401**

### ZOOMER 800

**Compact and transportable PA system with built-in iPod dock**

Built-in rechargeable battery with up to 8 hours of performance

High-output powered portable 2-way speaker system

Built-in iPod docking station with built-in charging system

Dock protection cover

3 channel audio input / Input level adjust on all channels

3 band EQ

Master volume control / Line level output

High quality microphone included

Combo XLR/jack microphone input

Unbalanced mic/instrument/guitar input

External music source line input

Battery level indicator

Enhanced bass output creates a full, rich sound

Heavy-duty aluminium construction

Full protective metal grille

Two-wheel system

Retractable handle for easy transport

Side sprung carry handles

PRODUCT CODE: **4402**
