

**153.320UK  
MINI Strobe**

#### **GENERAL SAFETY RECOMMENDATIONS:**

- 1) Avoid direct eye exposure, especially applicable to persons with photo sensitive disorders - eg. Epilepsy.
- 2) For indoor use only. -
- 3) Never block the air opening of the strobe.
- 4) The capacitors inside the unit might be charged even if the unit is unplugged.
- 5) If the plug and/or mains lead are damaged, they need to be repaired by a qualified technician.
- 6) If the unit has not been used for a longer period of time, condensation can occur inside the housing. Please let the unit reach room temperature prior to use.
- 7) In order to prevent dropping of the unit, a safety fastening needs to be installed.
- 8) Keep out of the reach of children.
