

Mirror Balls

Diameter 5cm – 30cm

Item ref: 151.580UK, 151.581UK, 151.582UK, 151.583UK, 151.585UK

User Manual

General safety recommendations

1. Installation must be carried out by qualified personnel in accordance with EU standard EN60598-2-7
2. Before installation, check that the unit is in good condition. If damaged, return to your retailer
3. Intended for indoor use only
4. Install with a minimum distance of 0.5m away from flammable materials (decorations, furnishings etc.)
5. Both mirror ball and motor must be mounted out of reach to avoid tampering or damage
6. Use all screw holes for installation with appropriate fixings to bear the weight of the unit
7. If a chain is to be used (chain is NOT provided), ensure it is fully intact and capable of bearing the weight load
8. Check the unit regularly to ensure it is in good working order and sustained no damage
